

Camp Good Grief 2010-Olympians

Dear Parent/Guardian,

We appreciate your interest in sending your child to our 10th annual Camp Good Grief. We will make a tremendous effort to make this a memorable experience for your child. Enclosed is an information packet that includes all necessary information to enroll your child in our weekend camp. Please note that the age requirement has changed this year from 8-13 year olds.

If you are enrolling more than one child, *please complete separate forms for each child. (Only one intake questionnaire per family is necessary.)*

A *save your spot meeting* will be held at Erin's House for Grieving Children on

- **August 11** (Wednesday) 6:30-7:30 pm

It's our 10th year and we are changing things up! ***This meeting is required of all campers and their families.*** Families will review the camp schedule, have a chance to meet the facilitators and learn all things camp. Campers will get the opportunity to meet their groups and participate in a pre-camp activity to gear them up for the fun-exciting weekend.

Parents/guardians are expected to provide their own transportation for dropping off and picking up their campers. Camp registration will be from 6:00-7:00 p.m. on Friday, August 27, 2010. Camp will begin promptly at 7pm, so please ensure your children have ample time to register. All parents/guardians are asked to attend a closing memorial service on Sunday, August 29. Please arrive by 10:05 a.m. Closing will begin promptly at 10:15am.

Camp Good Grief is limited to fifty (50) campers, so please complete and return your application promptly. You will be called to confirm your camper(s) registration.

Please Note: The Deadline for applying is July 30, 2010

If you have any questions or concerns, please feel free to contact me at your convenience.
